

We have been there for you

Now it's time to renew

Membership Has Privileges

- **Members Only Access-** Members enjoy access to an information packed, password protected section of our web site, along with all of the great features available to the general public.
- **Use Our Assistance Requests-** We will email your fellow members to get the answer to your question.

Take Advantage

- **Use The Models-** Use the language from model ordinances on burglar, fire, mobile security and smoke emitting devices.

- **Use the Research-** Take advantage of the growing library of how to manuals that cover:
 - Program development
 - Alarm equipment
 - Software selection
 - Consumer information
 - Job descriptions
 - Calculating false alarm dispatch statistics
 - Customer service
 - Electronic filing of permits
 - Grants
 - Running alarm schools
 - Selecting outsourcing vendors
 - And more...

Stay Informed

- **Keep Up On Trends-** Our bi-monthly newsletter covers the latest trends in ordinances, programs, security, tips for consumers and much, much more.

- **Attend the Symposium-** Delve into alarm management issues, meet with peers and network with others at annual training symposiums.

- **Use the Public Safety Tips** that deal with important aspects of alarm management that you should know.

- **Participate in Regional Training-** You'll take home numerous ideas, imaginative solutions and best practices that can be put into use the very next day.

Educate Users

- **Use the Bulletins-** Jump start your user education programs with one page bulletins that focus on common causes of and solutions to false alarms. Just add your department or company name, address and telephone number, print out as many as you need and send them out.

- **Use the Brochures-** FARA has developed a set of guides and brochures for consumers that are ready for you to use.

Become Involved

- **Become a Mentor-** Share your expertise with other alarm management professionals.
- **Join A Committee-** FARA's committees are constantly working on new and innovative publications, manuals and brochures designed to educate public safety, the alarm industry and the consumer.

Achieve Certification

The FARA Professional Certification Program provides you with a mechanism to demonstrate your professionalism and knowledge of alarm management issues. Continuing education will increase your experience. These programs will ensure you receive some of the recognition you deserve.
